Summer is around the corner, and it is time for the second annual Top 10 Summer Challenge! ALL Lower School students are encouraged to take part in the challenge, and students who complete the challenge will receive something special from me when school begins in August. As you try the different challenges, please take pictures to document it. Text or email me the photos, and I will be sure to post them on Brookstone’s social media. I can’t wait to see how many of you will participate in my Top 10 Summer Challenge!
